PROFESSIONAL SUMMARY

Highly organized and proactive Human Resources, Compliance, and Administrative professional with experience supporting remote and on-site teams across HR operations, executive assistance, customer service, legal administration, and research. Skilled at coordinating recruitment, onboarding, compliance processes, calendar management, stakeholder communication, and project logistics while maintaining accuracy, confidentiality, and professionalism.

Recognized for strong organizational skills, attention to detail, and the ability to manage multiple priorities in fast-paced environments. Passionate about improving operational efficiency, supporting teams, and contributing to organizations that value collaboration, accountability, and continuous improvement.

PROFESSIONAL EXPERIENCE

Human Resource & Compliance Manager (Remote)

August 2024 – June 2026

- Managed end-to-end recruitment, onboarding, right-to-work verification, DBS processing, and employee documentation.
- Maintained accurate and confidential HR records while supporting compliance with organizational policies and regulatory requirements.
- Coordinated internal communications to ensure contracts, compliance documentation, and key administrative tasks were completed on schedule.
- Supported safeguarding, data protection, and compliance initiatives through accurate record management and process monitoring.

Customer Service Representative (Remote)

January 2023 – October 2025

- Responded to customer enquiries through phone, email, and online communication channels while maintaining high service standards.
- Resolved customer concerns efficiently, contributing to positive client experiences.
- Managed multiple customer interactions simultaneously while maintaining accurate records and follow-up activities.
- Built strong customer relationships through professional and timely communication.

Research Assistant (Freelance)

April 2022 – Present

- Conduct literature reviews and summarize research findings for academic and collaborative projects.
- Support report writing, data interpretation, and research documentation.
- Assist with ethics review preparation and ensure adherence to research and academic standards.
- Contribute to evidence-based reports and research outputs.

Lead Coordinator – We Love Team (Health & Education Project)

October 2021 – Present

- Coordinate community outreach programmes promoting education, child welfare, and public health.
- Lead project planning, logistics, and volunteer coordination for community initiatives.
- Collaborate with multidisciplinary teams to ensure successful programme delivery and measurable community impact.

Virtual Assistant (Contract)

Keble Real Estate Investment

August 2023 – January 2025

- Managed calendars, appointments, and client communications.
- Organized digital documentation and maintained accurate project records.
- Scheduled meetings and ensured efficient coordination between clients and stakeholders.
- Delivered professional administrative support within a remote work environment.
